Revocation of Power of Attorney

Dear Sirs:

This response is submitted in response a letter mailed from the Office of Petitions on December 15, 2003 granting a revival of the above-identified application.

The petition for revival also included a request for Revocation of Power of Attorney with New Power of Attorney and Change of Correspondence Address. That request was not granted because of the omission of the reel and frame numbers of the chain of title of the inventor.

Applicant respectfully corrects that omission and requests that the new power of attorney be granted.

Included in this mailing is a copy of the previously submitted forms with the reel and frame number added.

Applicant further respectfully requests that future all future mailings with respect to this application be directed to the new correspondence address.

Enclosures:
